

## **“Idaho Small Business Solutions” is . . .**

- A one-stop source of information about local, state, and federal business regulations.
- A source of information about free and low-cost business assistance programs.
- Designed to reduce the barriers to starting or expanding a business in Idaho.
- Available to you wherever you are  
- mountain top or city center.

**Get online  
and  
out of the maze!**

## **Visit the Business Wizard!**

A unique and powerful tool

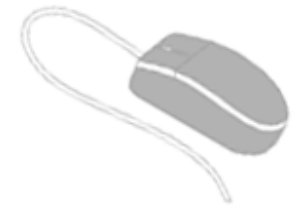

## **It will . . .**

- Walk you through a set of questions about your specific business.
- Tell you whom to contact and why.
- Provide information about taxes, licenses, and permits.
- Offer phone numbers and hot links to agency Web sites so you can download forms.

## **Satisfaction is Guaranteed**

If you can't find the answer to your business question on the Web site, click on

**Email Us**

**Idaho State Library staff  
will research your questions  
and provide prompt,  
confidential responses.**

## Do you know . . .

- Which permits and licenses are required for your business,
- What taxes you need to pay and when,
- Which reports you need to file and with whom, or
- How to comply with the regulations governing employees and independent contractors?

**Reducing  
Idaho's Bureaucracy**

**Sponsored by  
the RIB Committee**

*RIB is an informal committee of government employees from various agencies working to improve services and education for Idaho business owners.*

**Funding for the Web site  
was provided by the  
USDA, Rural Development,  
Rural Business-Cooperative Service**

## Do you need help with . . .

- Writing a Business Plan,
- Marketing,
- Research,
- Funding Sources,
- Business Insurance, or
- Other Business Questions?

## Starting a Business?

**Need help getting  
through the maze  
of government  
red tape?**
